

Children & Young People Summer Programme 2026

Creating safe, joyful, inclusive experiences for young people with diverse needs.

A safe, welcoming space

Young people felt comfortable, confident, and able to be themselves. Parents repeatedly described the programme as *friendly, supportive, and transformative*.

“Thank you for the opportunities — we would not have been able to do all these activities.”

Waiting for the bus entertainment

“My children were very happy after every activity because Carlos was very friendly.”

Trusting relationships

Between staff and young people • Within the staff team • With parents and carers

Family picnic

The Holly Lodge

“We noticed his confidence and enjoyment grow as he got to know you.”

- All three top-rated activities: **Park Lane Stables** • **Feltham Bowling** • **Thames Sailability Boat Trip**

Participation & Inclusion

Meaningful participation for diverse needs

Small groups supported comfort, regulation, and connection.

Park Lane Stables

Hampton Court

“Because my son doesn’t have friends to go out with because of his social communication needs.”

Impact on Young People

Growth in confidence, communication & emotional regulation

Bowling, horse riding, and the boat trip were especially powerful moments of achievement and joy.

“Theo faced his fears — it was amazing to see.”

Indoor family picnic due to rain

“The opportunities gave me invaluable respite.”

A summer of **connection, confidence, joy, and growth**. A programme shaped by young people, families, and community — and ready to grow further.
